

## SGCC Charity Golf Day – 26<sup>th</sup> October 2011

What a lovely day! The sun was shining; the course not only looked good, but I was told 'played' well - those greens!

I would just like to say thank you to all those who supported the day by either playing, donating prizes, cakes, buying raffle tickets or just being there, we had a full complement on the course, and couldn't physically fit another chair into our restaurant. The meal in the evening was superb.

The team golf prize was won by Sue and Steve Gibbs and Anne and Mike O'Hara, individual results were:

	Men	Ladies
1st	Mike O'Hara	Eileen McGovern
2nd	Joel Inesta	Sarah Andrews
3rd	Tony Jones	Christine Frechinos
4th	Alain Griff	Maggie Atkinson
Nearest the Pin 15th	Alistair Dickson	Heidi Roubinet
Nearest the Pin 7th	Alan Smith	Florine Veyssetre

Thank you to Bill and Sarah Andrews for sourcing all the golf prizes and especially Bill for the mammoth task of managing the score cards after the game. A huge task to just read some of them - let alone count them!

Our two charities de l'église de Reyrevignes and CSF (Cancer Support France) were very well supported, and the Brive Rugby 'boys' enjoyed their day with us, they said that they will be back to pit their skills against the course again! I think we will be getting a mention in the next match programme - all very good publicity.

We were lucky to have some very good raffle/lotto prizes, the main one being a return flight from CityJet, London to Brive for two people, others included donations and vouchers from local businesses and meals from five local restaurants, as well as many other smaller items, forty in total, poor Steve Gibbs was hoarse by the end of the evening, but thank you Steve.

Brive Rugby club also donated a signed rugby ball and team shirt and two tickets for the match against Sale in November, including a meal in the VIP restaurant and meeting players and management, very generous of them - these items alone raised over €330

Lastly, my thanks to Ludo, for all his help during the months before and on the actual day.

We raised just over €2500 which will be divided between the two charities - so a BIG thank you to all once again!
